STATE OF NEW HAMPSHIRE TOWN WARRANT

TOWN MEETING TUESDAY, MARCH 10 & SATURDAY, MARCH 14, 1998

The Polls will be Open from 11:00 A.M. to 7:00 P.M.

Article 1

To choose all necessary Town Officials for the year ensuing. **NOTE:** By law the meeting must open before voting starts. Therefore, the meeting and polls will open at 11 o'clock for the consideration of Article 1 only. At 12 noon the meeting will recess, but the polls will remain open until 7 p.m.. The meeting will reconvene at the Town Hall on Saturday, March 14, 1998 at 9:30 a.m. to act on Articles 2 through 10.

Article 2

To see if the town will vote to raise and appropriate the sum of \$16,550 for the purpose of the following repairs:

Old Highway Garage Repair	\$1,550
Paint Town Hall/Church	4,000
New Roof on Town Hall	8,000
Town Hall Septic System	3,000

The Board of Selectmen and the Budget Committee recommend this warrant article.
Yes or No Majority Vote.

Article 3

To see if the town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be added to the Fire Capital Reserve Fund previously established.

The Board of Selectmen recommends this warrant article. The Budget Committee does not recommend this warrant article.
Yes or No Majority Vote.

Article 4

To see if the Town will vote to authorize the selectmen to enter into a five-year (5) lease agreement for the purpose of leasing a copy machine for the Town Office at a total cost of \$13,748, and to raise and appropriate the sum of \$2,748 for the first year's payment for that purpose.

The Board of Selectmen and the Budget Committee recommend this warrant article.
Yes or No Majority Vote.

Article 5

To see if the Town will vote to raise and appropriate the sum of seventy-five thousand dollars (\$75,000) to pay for expenses attributed to damages from the January 1998 ice storm and to authorize the receipt of 75%, fifty-six thousand two hundred fifty dollars (\$56,250) from FEMA and 12.5%, nine thousand three hundred seventy-five dollars (\$9,375) from the State of New Hampshire. The remaining 12.5%, nine thousand three hundred seventy-five dollars (\$9,375), to be raised from general taxation.

The Board of Selectmen and the Budget Committee recommend this warrant article.
Yes or No Majority Vote.

Article 6

To see if the town will vote to authorize the Selectmen to sell land acquired in 1997 for tax default. Land to be sold to the highest bidder or as justice may require.

1. Map 29, Lot 434-511 - Hart Land (Town Farm Road) - 5.9 Acres
Valued at \$16,850.
2. Map 29, Lot 575-362 - Godek Land - (Town Farm Road) - 2.2 Acres
Valued at \$15,800.
3. Map 09, Lot 745-145 - Melchionne Land (Prospect Acres #26) - 4.6 Acres - Valued at \$19,500.
4. Map 31, Lot 216-442 - Mendez Land (Eastman, Spring Glen #48) - 1.54 Acres - Valued at \$11,700.

Yes or No Majority Vote.

Article 7

To see if the Town will vote to change the purpose of an existing Fire Capital Reserve Fund to the Fire Vehicle Capital Reserve Fund.
2/3 vote required.

Article 8

To see if the Town will vote to adopt the provisions of RSA 202-A:4-d authorizing the library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, provided, however, that no acceptance of personal property by the library trustees shall be deemed to bind the town or the library trustees to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of such personal property and further to require that prior to the acceptance of any such gift, valued at over \$5,000, the public library trustees shall hold a public hearing on the proposed acceptance. This authorization will remain in effect until rescinded by a vote of the Town Meeting.

Yes or No Majority Vote.

Article 9

To see if the town will vote to raise and appropriate the sum of \$613,458 or as amended, which represents the operating budget. Said sum does not include special or individual articles addressed.

Yes or No Majority Vote.

Article 10

To hear the reports of agents, auditors, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

Yes or No Majority Vote.

Given under our hands and seal this fourteenth day of March, in the Year of Our Lord, nineteen hundred and ninety-eight.

DEBORAH L. COFFIN, Chairman
WILLIAM C. SULLIVAN, Selectman
DONALD H. OARLOCK, Selectman
Springfield Board of Selectmen

SELECTMEN'S REPORT

The Town of Springfield found 1997 to be a year of challenges and loss as well as a year for accomplishment and change. The good news begins with support from Governor Shaheen for public kindergarten. This announcement came with positive acknowledgment for the ongoing support the Town of Springfield has provided over the years for its 5 year olds. Thanks to the efforts of many, Springfield's kindergarten will be funded by the State to offset the town's expenses.

It has also been a pleasure to see the Youth Football League practicing and playing on our recreation field — the Selectmen have been proud to support the athletic pursuits of our students which include Springfield residents.

One of the major changes to take place in 1997 was the switch from New London Dispatch to Newport Dispatch for emergency services. This move has proven to be cost effective for the town as well as more efficient in terms of radio reception. Residents can continue to call 911 for emergencies and 863-3232 to reach Newport Dispatch and Springfield Police. Our old fire station was finally removed as the Fire Department is settled in the Highway/Safety complex. The relocation has created a new turn-around space for busses and larger vehicles.

Our challenges continue to revolve around septage, new businesses wishing to locate in town and the ongoing need for upgrading and maintaining our town buildings. Upon inspection, we learned that the Highway/Safety complex was not up to electrical code which necessitated some major overhauling. In addition, we began the installation process for alarm systems in both the Highway/Safety Complex and the town office building which will keep us in compliance with state regulations for public buildings.

A big loss this year was the passing of Alan Vassar; he will be remembered as a man who willingly committed his time and efforts to the Conservation Commission and the Budget Committee — we will miss him. The Board encountered its own changes in 1997; Connie Jones relocated to Grantham and Louise Jacewicz remains in Springfield, but is looking forward to spending more time at home and less time in the town offices. Both members will be sorely missed as they have worked tirelessly as assets to the town. We welcome Bill Sullivan and Don Garlock who have bravely stepped into the vacated positions. In the category of losses I am sad to report the closing of the Howard Memorial United Methodist Church. It was no longer feasible to keep the church active due to a continued drop in membership. At this time we wish to offer our very best wishes to Barbara Reney upon her retirement as Postmaster in Springfield for many years — she will be missed as we welcome Laura Hummel to the position.

As I write this report we are on the other side of the Ice Storm of '98. We are especially grateful for another 1997 accomplishment — the 3rd man on the Highway Department, Bill Mock. This storm has taught us many valuable lessons, most importantly to remember and express our gratitude and appreciation for every person who worked non-stop to get Springfield up and running again. Kudos to Road Agent Russell Lebrecht, Chief of Police Jim Benoit,

Emergency Management Coordinator Frank Anderson, Fire Chief Mac Charles and their crews for all of their hard work. It is because of them that the citizens of Springfield could use their roads safely and receive the support needed to weather the storm.

The Board looks forward to a safe and productive year and thanks to everyone who so generously gives time and service to the Town.

Bill Mock and Dallas Patten working hard to clear Messer Hill Road during the January ice storm.

1997 AUDITOR'S REPORT

As reflected in the audit, I have examined the financial statements of your Board, the Town Treasurer, the Tax Collector, the Town Clerk, the Trustee of Trust Funds and other Town Officers. I have compared their account vouchers and bank statements of funds on deposit, and find these records to be in agreement.

In my opinion, the records present fairly the financial position of the Town of Springfield for the year ending December 31, 1997.

Richard D. Petrin
Auditor

Ice storm – January 1998

SUMMARY OF TOWN MEETING WARRANT 1997

Article 1: Officers elected by ballot March 11, 1997.

Article 2: Paper ballot. Yes 99, No 50. Article passed.

Article 3: Motion made by Robert Moore, seconded by Richard Petrin. Article passed.

Article 4: Motion made by Richard Petrin, seconded by Maryanne Petrin. Passed unanimously.

Article 5: Motion made by Maryanne Petrin, seconded by Frank Anderson. Article passed.

Article 6: Motion made by Frank Anderson, seconded by Russell LeBrecht. Amendment motion "to change \$10,000 to \$20,000" made by Ronald Denman, seconded by Frank Anderson. Amendment passed both with voice vote and show-of-hands vote.

Article 7: Motion made by Richard Petrin, seconded by Robert Moore. Passed unanimously.

Article 8: Motion made by Celeste Klein, seconded by Robert Moore. Passed unanimously.

Article 9: Motion made by Michael Neuwirt, seconded by Maryanne Petrin. Amendment motion "to increase the \$18,400 to \$20,000 and to increase the \$26,400 to \$30,000" was made by Chuck Moore, seconded by Tim Parenteau. Vote on amendment passed unanimously, vote on article passed as amended.

Article 10: Motion made by Richard Petrin, seconded by Frank Anderson. Amendment motion "to authorize the selectmen to give away or otherwise dispose of the old fire station building and retain the land" was made by Tim Parenteau, seconded by Frank Anderson. Vote on amendment passed unanimously, vote on article as amended passed.

Article 11: Motion made by Frank Anderson, seconded by Maryanne Petrin. Amendment motion "to increase the line item, government buildings, from 43,830 to 44,830 to cover expense if needed for fire station removal" was made by Malcolm Patten, seconded by Frank Anderson. Amendment passed. Second amendment motion "to increase the kindergarten budget from 18,000 to 19,340" was made by Mason Wheeler, seconded by Allison Shores. Amendment passed. Article as amended, passed unanimously.

Deborah Coffin extended a thank you to Janet Booker for all her years on Planning Board.

John Rego gave a report on the schools.

Boris Bushueff gave a report on the Eastman wellheads.

Thanks were extended to Russell LeBrecht, Road Agent, and Jim Benoit, Police Chief.

Meeting adjourned at 11:32 a.m. by Moderator Tom Wade.

CONSERVATION COMMISSION ANNUAL REPORT

1997

In 1997 members of the Conservation Commission assisted in the perambulation of the town boundaries with Enfield, attended the annual meetings of the NH Association of Conservation Commissions and the Sullivan County Chapter of the NH Timberland Owners Association, and participated in the NH Coverts Project Workshop. The Conservation Commission is working with the Lake Sunapee Protective Association on watershed issues that affect our town. Communication with the Village District of Eastman has helped us to continue to monitor their activity in the Bog Brook wetlands area.

The Conservation Commission reviewed a number of wetlands applications sent to us from Concord and made several site visits related to these applications. The Commission responded to several resident concerns about wetlands violations. Work continues on the wetlands inventory project.

This coming year we hope to work with the town to create a small park on property given to the town by the Marilyn Heath family in front of the Fire/Highway/Safety Complex. We will be looking for interested volunteers to help us with this project.

Another project is to look at the different parcels of land the town owns so that we can make some management recommendations. We will be starting with the Royal Arch lot, as there is a special fund designated for this area. This year a new trail was built from the Royal Arch cave to the ledge above the cave, as the old trail was dangerously steep and was causing damage to tree roots on the rocks. Now we would like to develop a plan for the whole area.

Alan Vassar, a long time member of the Conservation Commission, died this past March. He was a valued colleague and friend and is greatly missed. Thanks to the many donations made to the Conservation Commission through the Alan Vassar Memorial Fund, granite benches will be placed at the war memorial at the cemetery and at the proposed park in front of the Fire/Highway/Safety Complex. Remembering how much Alan loved the trees and the forests, we are also planning a tree planting in his honor at the new park later in the spring.

The Conservation Commission meets the second Thursday of each month at the Memorial Building. We welcome and encourage your participation at these meetings. If you have any special concerns, or would like to join the Wetlands Advisory Group, please contact any member of the Conservation Commission.

Respectfully submitted,
Cynthia Bruss
Chairman

EMERGENCY MANAGEMENT

It has been a couple of years since I have made a report. Our Town Emergency Plan is updated every year - more often if necessary. We continue to work with all the town departments to keep the plan current. We continue to take classes on Emergency Procedures and to work with the Fire Department to keep up with changes, not only in the town but in the state. In 1998 we will be taking part in a statewide exercise. This is a requirement from FEMA. I hope that I have been able to do the job to the approval of the residents of the town. Remember, if we do not keep an emergency plan in place and do not do our required training exercises, we would not be eligible for FEMA funds in case of an emergency.

Frank Anderson
Director

Phil Currier working clearing roads during the ice storm.

FIRE CHIEF'S REPORT

The Fire Department saw a decrease in calls during 1997. Medical assist to the F.A.S.T. Squad, motor vehicle accidents, motor vehicle fires and mutual aid to the surrounding towns for structure fires made up the majority of the calls for 1997.

Many thanks go to the public who donated goods to the firemen's auction. And to those who contributed to the annual donation letter. Thank you to all the members who responded to the fire and rescue calls, attended training sessions, and the work details.

Several purchase were made in 1997. They were nine Personal Alert Safety System devices which brought us up to National Fire Protection Association standards, one twenty-four foot fiberglass ladder and three two-way radios. Also, we had two members go through a National First Responder course in October, and a Underwater Rescue course to help expand our specialties in a time of need.

As always, we invite those interested in joining the Fire Department, F.A.S.T. Squad or the dive team to attend our regular monthly meeting held the second Tuesday of each month at 7 pm.

Respectfully submitted,
Byron M. Charles
Fire Chief

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The 1997 fire season was a safe period for wildland fire-fighters with no major injuries reported. The drought conditions experienced during the early summer months was a significant factor resulting in the total number of fires reported during the season.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

The Kearsarge Area Council on Aging, Inc., a non-profit organization, was founded in July 1992. We serve people fifty-five years of age and older in nine area towns: Andover, Danbury, Grafton, Newbury, New London, Springfield, Sunapee, Sutton and Wilnot. We promote, develop and reinforce programs which support and enhance the health, well being, dignity and independence of senior adults.

Our basic services continue to grow. 1997 shows increases in volunteer provided rides, assistance with small home repairs, supportive daily phone contact with the home bound, friendly visits with seniors in their homes, intergenerational assistance with reading programs in local schools, referral to appropriate resources to answer the needs of our clients. Our monthly newsletter reports these and other services to keep our members informed.

Social, educational and recreational gatherings included our annual Valentine Luncheon, Mountain Day, The Shaker Experience and the Christmas Reception. Granite State Stories discussions were held at the Tracy Library in New London led by Dr. Patrick Anderson of Colby Sawyer funded by N.H. Humanities Council. Conversations with Lunch coordinated with Community Action Program were held monthly and highlighted by the annual picnic held at Muster Field Farm in Sutton. A new program, "Outdoor Recreation for Seniors" featured biking, kayaking, hiking, an overnight at Camp Coniston and many more activities. **"Walk Your Way Through Winter" resulted in sixty members walking over 2000 miles in a five-month period.**

Our move to 12 Newport Rd., New London, in December 1996 brought the opportunity to expand our services and activities for our membership and made 1997 a banner year for COA. Our monthly newsletter carried a Calendar of Events to keep members informed of these expanded services. 1997 activities in our Program Center included Exercise Classes; Bridge Lessons; Quilting for Babies at Risk; Paint with Peers; Friday at the Movies; Dominoes; Library; Blood Pressure Screening; Flu Shots; Tax Assistance; Art Show & Reception w/members' work displayed, Let's Talk Program, a series of discussions concerning nutritional, emotional, financial and societal matters, was conducted in the Center. **In a major undertaking, 140 members have received training on the Introduction to Computer courses.**

There are **1453** members of COA of which **53** are Springfield residents. Over the last twelve months **10** volunteers have given **64** hours of their time to help provide the services of COA to our communities.

Financial support from Springfield and other area towns account for approximately 20% of our required funds. We are asking that \$525.00 be included as an item in the Springfield Town Budget for 1998 to sustain our growth of services, programs and activities for senior adults.

We are deeply grateful to Springfield and other area towns along with donors to our fund drive, foundation grants, advertisers in our newsletter and individual clients for past and future financial assistance.

Our very special thanks to those dedicated volunteers who give so selflessly of their time and talent. Without them there is no COA.

Respectfully submitted,
Robert J. Bradley
Chairman of the Board

Ice storm – January 1998

KINDERGARTEN REPORT 1997

The Kindergarten has enjoyed another great year full of fun and learning. I'll spell it out for you.

K - is for the Kind visitors and helpers from the community who gave their time to us:

Carol DeMaris, Matt Waddell, Jim Benoit, Frank Anderson, Missy Anderson, Russell Lamson, Barbara at the Post Office, and Sue Anderson.

I - is for Integrated Curriculum; learning prereading skills through literature and beginning phonics and writing, number concepts, patterning, measuring, money concepts, weather, animals, birds, plants, families, ourselves and the world around us, getting long.

N - is for the New Computer and software generously budgeted by the town and for the new computer table paid for by the fund raising efforts of our Parent Teacher Group.

D - is for the District Kindergarten Committee meetings deciding on a proposal for voters regarding public kindergarten in the Kearsarge School District; and our Valentine's Day Dance organized by our Parent Teacher Group.

E - is for our class of 1997 who went on to Entry (a.k.a. First Grade):

Katie Shampney, Alex Eugenio, Kayla Badger, Kenny Wheeler, D.J. Bucknam, Darcie Connelly, Greyson LaBelle, Jared LaBelle, Timmy Patten, Tim Denman, Jeremiah Charles, Jeremy Lee.

R - is for Reading with Mrs. Klein in the library every week and for our Books and Beyond program providing students with free books as a reading incentive funded by the Parent Teacher Group.

G - is for the Generous support of the Town of Springfield, the only town in the Kearsarge District which fully funds its Kindergarten.

A - is for our Apple Orchard trip, Airport trip, and other field trips with a bus service to transport us.

R - is for the Renewal of our State Licensing and meeting all the necessary requirements.

T - is for the Trustees who volunteer their time and effort to oversee our school: Nancy Edgar-Howard, Janet Booker, Pam Laurie, Cheryl Wood, Bobbi Wagman, Susan Carpenter, and Maureen Chiarella and Deb Coffin.

E - is for our Eager new group of students, class of 1998: Sandy Bresse, Mitchell Call, Ashley Carpenter, Sonya Chiarella, Eli Flint, Anne Howard, Eben Lamson, Kameron Marshall, Naomi O'Day, Doug Rafferty, Tony Silva, Becca Wheeler, and Lance Wood.

N - is for the very Nice Bobbi Wagman, a Springfield resident and retired Kindergarten teacher who comes in weekly to share with us music,

dance, helpful hints, and an extra hand; and also for the very Nice parent volunteers.

Thank you, Town of Springfield, for supporting and caring for your young ones.

Yours,
Suzanne Winchester
Teacher/Director

Lake Sunapee Home Care and Hospice

Lake Sunapee Community Health Services

Services provided to people of Springfield

Home Health Care for those recovering from an illness or injury:

Visits made: 1,251 to 16 patients

Hospice Care for patients and families experiencing a terminal illness:

Visits made: 25 to 1 patient

Community Clinics for adults, for immunizations and other wellness programs:

Patients served: 45

Long-term care for chronically ill adults and children needing support services:

Hours of Service: 237 to 7 patients

Maternal and Child Health for children and families needing newborn care, well child clinic and parenting support:

Families served: 16

School-age Child Care for families needing after school and summer day care:

Families Served: 3

Lake Sunapee Region VNA is proud of its tradition of providing quality home health care to people in your community. 1997 has been a year of change for home health care. Medicare reports of fraud and abuse leave us wondering how we as consumers can know whether we're dealing with a quality organization. We are served by a volunteer Board of Trustees who, with staff, continually monitor our performance internally. Externally, licensing, certifying and accrediting bodies assess our performance against state and federal standards regularly. Most of all, we have committed, competent and caring staff and volunteers out in the community each day of the year providing needed home care.

Our affiliation with New London Hospital and Capital Region Health Care has allowed us to care for patients and families more efficiently and to access opportunities for achieving cost savings as part of a larger delivery system.

Two VNA employees, Trustee William Donegan and many volunteers live in Springfield. As the health care delivery system and insurance benefits continue to evolve and change we are more dependent than ever on the loyal support of the towns we serve to enable us to provide free and subsidized care to those people who might not have access to care otherwise. Thank you for your continued support.

Respectfully submitted,

Andrea F. Steel

LIBBIE A. CASS MEMORIAL LIBRARY
Hours: Tuesday 3-7, Thursday 3-7, Friday 3-5
Phone 763-4381

We continue to grow. Through our cooperative, LUV (Librarians of the Upper Valley) we get videos which are exchanged every two months. We have now added unabridged books on tape to this exchange. They also rotate. This co-op membership gives us access to expensive and varied material.

The Friends presented a program this year with Patrick Anderson showing a film and discussing the Thurber story, The greatest man in the world. The program was well attended and the Friends plan others.

The kindergarten continues to visit the library once a week for story time and to borrow books. The aim is to instill appreciation of books and reading as this is the best way to insure future school success. We urge all parents to give their children a wonderful free gift, a library card and use of the library.

The meeting room had a wonderful display of Christian Whipple's photographs. The room is now available for other displays if anyone would like to exhibit their art work or crafts, etc.

One student is now being tutored and we remind you that free tutoring is available for students and for adults who would like to get their GED.

With computer access to the State Library we can now process inter-library loans more quickly and many of our patrons are taking advantage of this free service. For those who would like instruction in the use of the computer and/or the Internet it is available. Just ask at the desk and an instructor will be provided. The CD-Rom collection has many fascinating discs on animals, science, planets, history, etc.

As is noted every year, the most important part of this report is to thank the many volunteers who make this all-volunteer library function. Every penny received from the town budget is spent on the collection and supplies. Thanks to Sally Allen, Sue Anderson, Betty Broadley, Terry Davis, Carol Demaris, Gladys Fremgen, Betty McKinnon, Daphne Klein, Steve Klein, Jeff Milne, Barbara Reney, Dolores Sykes, Bill Sullivan, Muriel Tinkham, Bobbi Wagman, and the Trustees. Also thanks to Lili Rudner who donates so many good books, Lori Colman who decorates the bulletin board, Nancy Vandewart who does amazing crafts in the summer story and crafts program, Joan Tulonen who guides our monthly book group which is going into its second year, and Bill Sullivan, our computer expert who is always on call for computer emergencies.

We hope library use will increase. We welcome suggestions as to how we can serve you better and also for books, tapes, videos, and CD-Roms. We also invite new volunteers to join our wonderful staff.

Celeste Klein
Librarian

NH/VT SOLID WASTE PROJECT

1997 Year End Report

1997 saw many changes for both the Southern Windsor/Windham Counties Solid Waste Management District and the Sullivan County Regional Refuse Disposal District. Most notably, a concerted effort was made during the budget process for fiscal year 1998 to lower the tipping fee and create an economic incentive for delivery of trash from the member towns to the incinerator. This effort recognizes the dual obligation of the Districts — to ensure responsible management of the trash generated within the Districts, and to also meet their financial obligations. In the absence of a single, unified approach to guaranteeing delivery of trash for energy recovery by the Claremont plant, increasing the economic incentives for haulers to voluntarily deliver the trash was the next best tool available to us.

Several operational changes were also made during 1997. The most significant change occurred at the landfill in Newport, New Hampshire. In early December, additional tarps were placed on the open surfaces of the landfill. Leachate results from rain water running through the body of the landfill, and covering the surface of the landfill is anticipated to significantly reduce the amount of leachate. It is anticipated that this will result in substantial savings for the collection, transportation and disposal of the leachate.

The year has been similar to many others, however, with regard to legal activities. During 1997 a substantial amount was spent on legal services, but the outcome will benefit all the members of each District. The single most significant issue to be resolved this year was the Acworth case. The New Hampshire Superior Court has determined that Acworth failed to properly withdraw from the Sullivan County Regional Refuse Disposal District, and is therefore still a member. A trial is set for early February 1998 to determine the calculation of damages, which is the single remaining issue.

Looking toward the future, the Districts have successfully reduced the operating budget for 1998 by approximately 28%, down to \$3.17 million from \$4.4 million for 1997. This was largely due to the retirement of bonds and other non-recurring obligations. A new collections and credit management policy has been approved, which will be implemented with the new year and it is anticipated to be helpful in recovering significant portions of the existing receivables. Every effort continues to be made to find ways to minimize costs and remain fiscally responsive to the Districts.

On a more personal note, the last six months have been a professional pleasure for me. The collaborative spirit of the towns has been both refreshing and motivating. The challenges that remain are significant, but the opportunities for resolution make the challenges exciting. I would like to specifically thank the members of the Executive committee and the individual representatives for their support, cooperation and encouragement, and I look forward to working together during the coming year.

Mary E.S. Williams
Project Director

PATRIOTIC COMMITTEE

The past couple of years has seen the placement of the Korean and Vietnam War Veterans pictures on the memorial wall in the Town Meeting House and the new War Memorial at the lower cemetery in honor of all our departed veterans, regardless of race or religion. We continue to work with the American Legion to do the Memorial Day Service. We also recognize the Fourth of July, Flag Day, Veterans Day, and the POW/MIA Day. Whenever possible, we go to the kindergarten to do classes on the history of the flag. I continue my endeavor to get the history and pictures of all town veterans for the Historical Society for the town museum.

Frank Anderson
Chairman

PLANNING BOARD REPORT - 1997

Most of the year's activities centered around subdivisions/annexations and consultations. While most were routine — the site plan review for a commercial campground on Sanborn Hill Road was not.

The Planning Board certainly heard from the public and we learned a lot during the months of hearings. The applicants withdrew their application. Hopefully what we learned will be applied to making sound decisions in the future.

Memorial Day, 1997

SPRINGFIELD POLICE DEPARTMENT 1997 ANNUAL REPORT

The augmentation of the computer in the Police Department has greatly helped with reporting and record keeping. A detailed breakdown of the calls the Police Department handled in 1997 is available to Springfield residents upon request.

Officer Michael (Mick) Wright is on the road to recovery and I hope to have him on the road soon. He is scheduled to attend the Part-Time Academy in January, 1998.

Due to a vacancy, Timothy Julian was added as a second Part-time Officer. The Town has gained an accomplished police officer with sixteen years Full-Time law enforcement experience and a skilled Field Training Officer. This is especially helpful as one of our young residents is interested in a career in law enforcement and has taken advantage of the ride-along program to get a head start on his peers.

The police car purchased by Chief Steve Bailey in 1992 is holding up well. The paint was recently touched-up and should serve the Town another year.

Enhanced 9-1-1 (9-1-1) is on-line and should be used for Police, Fire or Medical emergencies. The emergency operator will dispatch the appropriate agency to your location. All other police business will continue via 763-3100 or 863-3232. This will put you in touch with our dispatch service, Newport Safety Services.

When leaving for extended periods, please avail yourself of the House Check Service the department provides.

Residents are reminded to have their house numbers clearly visible from the roadway.

I would like to thank the residents who have reported suspicious activity. You are the eyes and ears of the community and many incidents have been prevented or deterred by your quick reporting of unusual people, cars and incidents to police dispatch.

In the spirit of community service
and protection,
James Benoit
Chief of Police

RECREATION COMMITTEE – 1997

I can't believe that another year has already passed by. Let me share what the recreation committee committed to and completed in '97.

The winter months were used to plan the bulk of events for the other seasons. We decided to tie together what the town has been doing on Memorial Day by sponsoring our 1st Annual Springfield Arts and Crafts Festival. It was a success with 22 artisans and crafters gracing our rec field. The weather cooperated and the day was complete with a concert played by The Lyme Town Band. Special thanks to Carol and Rich Rollinson, Joe Mercado, Louise Jacewicz, Connie Jones and my family for all your help and support. July brought us our Annual Softball Tournament and cookout. It was a good time by all and the Recreation committee won the tournament, 1st time for them. Thanks to all that helped with the preparing, cooking and playing.

July also marked a 4th season for our summer recreation program. The number of kids involved has remained the same over the years. We did many new things this year. A gigantic parachute was purchased and we had a ball playing different games with it. A gigantic ball was purchased and maybe you saw us rolling it along. A hike along the Protectworth Trail was new and a bike ride around Lake KOLELEMOOK too.

Our big field trip was to the Barn Playhouse to see "The Princess and the Pea." Both the children and adults had fun. Thanks to everyone who helped in driving and volunteering your time for our kids. They are a great investment.

Which brings me to our 3rd Annual Holiday Tree Lighting which took place on December 6 with singing of "*Silent Night*," lighting of candles and, of course, the tree lighting. Afterwards we had an Old-Fashioned get-together with sweet treats, mingling and "'Twas the Night Before Christmas" read by Ryan Coleman.

As this year comes to an end and I find myself resigning as your Recreation Chairman, I thank you for allowing me the opportunity to share some ideas with you and to serve our community over the years. I do urge everyone that lives in the Town to become involved in the lives of its neighbors and to see from there in which direction we should go. If there is anyone interested in the recreation committee and/or being its chairman, please contact the selectmen. I do hope that the programs and events brought about by the recreation committee has enhanced the lives of those who have participated. Thank You, Louise, for all your help, advice and support through the years whenever I needed it. I wish you the best.

Respectfully submitted,
Lori Coleman
Chairman

Legislative Report Sullivan County District #2

It has been an honor to have the opportunity to serve our district during the 1997 legislative session. Allegedly, the NH Legislature is considered to be the third largest lawmaking body in the world. It is a true citizenship legislature. Much of its strength is derived from dedication, the spirit of volunteerism and overall commitment to serve the people of our state. It represents us and I am pleased to be a part of it.

There were some significant changes in state government at the introduction of the 1997 session. They included a change in party at the executive level, a first time female governor, a first time female speaker, several standing committee chairmen changes in the house, and the arrival of a large number of new legislators who appeared to be more non-partisan by nature, which helped redefine the legislative mission in many areas.

I was assigned to the Municipal and County Government Committee. We processed approximately forty bills including such items as home rule, SB-2 ballot law, conservation and tax easements, tax assessments, tax deeding, properly notifying multiple landowners, taxation of easements, subdivisions, planning board and zoning issues, airport regulation, local and state records management, financial powers of village districts, regulation of voting places and the like.

Our committee was particularly instrumental in moving the home rule bill (anything not in RSA's or not regulated be left at the discretion of local community) overwhelmingly through the House only to be defeated by the Senate. Members of our committee visited several school districts and municipalities who were under the SB-2 law in 1997 to ascertain pros, cons and what glitches, if any, needed to be addressed. This exercise was under the SB-19 bill which continues to be under close scrutiny and review.

The Municipal and County Government Committee also assigned subcommittees to work on thirteen re-referred bills (bills that required more research before taking final action) during the summer. Most of these bills will be acted upon early in the 1998 session. At this time we are not certain how many new bills will be assigned to our committee for the 1998 session. However, it is anticipated that it could easily be in excess of fifty-five.

I have found it productive to meet with the various state departments to establish rapport and to ascertain ways to better serve our district. They have been cooperative, dedicated and have a sincere interest in extending assistance. Some of my recent visits included inquiries relative to environmental issues, protection of lakes and ponds, drinking water protection, highway improvement, and the county taxing process.

Since highways play such a vital role in the economy of our district, it would be incumbent to pursue ways to enhance traffic flow with such arteries as Route 11 and affiliated secondary roads. Improvements such as the addition of an extra lane on a hill or in congested areas, or right and left hand turn lanes

would help traffic in many locations. Hopefully, we will be able to present a stronger voice for this effort in the near future.

In response to several inquiries from citizens, I have written a letter to the County government subcommittee asking them to review the formula as to how the communities are taxed in each county. Presently, tax apportionment is based only upon valuation and set by the Department of Revenue Administration. The question seems to be whether the user-of-services aspect (population) should be entered into the formula. It is not an easy question nor does it have a simple solution. However, since a huge portion of the county budget is relegated to human services, an in-depth review of the whole process would seem in order.

The issue of whether or not to enter into a long term lease arrangement for both Cannon and Mt. Sunapee will probably surface during the upcoming session. The 1997 legislature authorized the appointment of a joint committee to study, formulate a lease agreement, and ascertain whether there are interested parties. Currently, most legislators are reserving comment until that phase of the committee's assignment is completed. When and if the issue of whether or not to lease arises, much dialogue will be generated from all interested parties. I welcome your input on this matter.

My involvement in constituent service has been active and varied. As previously mentioned, the various state agencies have been responsive and helpful. Please don't hesitate to call, fax, or e-mail me whether it is a concern, or need for a copy of a bill, time of a committee hearing, or the like.

Representative Merle Schotanus has been very helpful to me and we continue to work as a team for the best interests of our district. I am sure he joins me in encouraging any individual or group who wishes to visit the State House or attend a session to get in touch and one of us will offer our assistance.

If you wish to contact me, my mailing address is 310 North Road, Sunapee, NH 03782; my telephone and fax number is 763-9933, and my e-mail is Rcle@sugar-river.net. My committee is located in room 301 of the legislative office building and the telephone number is 271-3317.

Thank you again for your support.

Respectfully submitted,
Representative Richard C. Leone
Sullivan County District #2
Grantham-Springfield-Sunapee

Report of Representative Merle W. Schotanus Representative to the New Hampshire General Court

The 1997 session was a productive session both for our state and me personally. After much political shadow boxing and dancing to establish party pecking orders, the House got down to business and turned out some very constructive legislation. The \$5.5 billion biennial budget represents about a 3.1% increase in state general fund spending but increases the money going back to cities and towns by over \$80 million. Qualifying towns will receive additional dollars in Augenblick educational formula funding, school building aid, per pupil kindergarten funding, and catastrophic education aid funding. They will also receive increased Meal and Rooms tax revenue sharing and added environmental, bridge and highway funding. Although it did not include funding for a new prison, the \$64.3 million general fund capital budget will provide for additional buildings or improvements for the University system, the Glencliff home for the elderly, the Supreme Court and several other state building projects. For the first time, this budget includes emergency building repair funds which heretofore had to be appropriated on a piecemeal basis; and a mandatory requirement that all new computer purchases be approved by a central office of information technology to insure the state's computer network is coordinated. Information technology purchases by the state are expected to total over \$50 million during the biennium.

My first year as clerk of the Public Works and Highways committee was busy, and quite productive. I assisted in crafting the capital budget and was able to concentrate on many bills of interest to District 3 constituents. I was very pleased to work with my colleague from Cornish, Representative Peter Burling, and other sponsors to pass the landmark bipartisan Kindergarten incentive bill which is already producing great progress toward providing kindergarten for all New Hampshire five year olds. I also had the pleasure of co-sponsoring the repeal of the ancient and unenforceable 1848 abortion laws. Other bills that I sponsored or helped to pass dealt with diabetes insurance coverage, river corridor management plans, snowmobile registration fees and trail grant-in-aid programs, and forest landowner estate taxes.

In the 1998 session I will co-sponsor a bill with my colleague from Sunapee, Representative Richard Leone, to help protect Sunapee's water supply, and will be working on solving the very serious problem of prison overcrowding as part of my Public Works Committee duties. My hope to concentrate on other issues will be completely overshadowed by the fallout of the recent Supreme Court decision regarding educational funding. The decision has caused substantial political upheaval, but it should not come as a surprise. The state legislature and certain political leaders have been sidestepping the issue of adequate state support of education for years. It was an issue in 1985 in my first term when the legislature adopted the Augenblick formula of educational funding in response to a threatened court challenge. The funding formula was a good one, but never

proved successful because the state has continually refused to fully fund it. This and the filing of the so-called Claremont suit in 1991 have made educational funding an issue of debate in every legislative session since then. The one-year time limit placed on the legislature to resolve this sticky issue simply tells us that, "it is now time to either fish or cut bait!"

I believe the problem of constitutionally acceptable education adequacy and funding can be resolved in a way that benefits both the children of this state and the communities and individuals responsible for providing it in a positive and equitable manner. I reject the notion that a constitutional amendment alone will solve the problem. Any solution will impact the five towns of District 3 in different ways. The court's ruling provides legislators a unique opportunity to consult with their constituents to define educational adequacy and to find a way to pay for it. We have pleaded for constituent input before without much success. Now it is imperative that the Schotanus, Burling, Leone team hear from you on this issue. You can reach me in several different ways: a note or letter to me in Concord at House of Representatives, Room 201, LOB, Concord, NH 03301; or at home in Grantham at 28 Sugarwood Lane, Grantham, NH 03753. You can reach me by phone in Concord at 271-3565 or in Grantham at 863-2293; or by fax at 863-3539; or by E-mail at hmsht@snet.com. Please let us hear from you.

Representative Merle W. Schotanus
District 3, Sullivan County

ANNUAL SCHOOL REPORT 1997

We have reached the conclusion of another school year with much to report about the educational health of our school district. It has been another fast paced year as I complete my third year representing the town of Springfield. The role of the *Kearsarge Regional School Board* as the governing body of the *KRSD* is one that is of utmost importance and a job that I take most seriously. Our children are the future and deserve responsible representation and support from us all. Again, I think it is worth reiterating that my job as your representative to the Board of Education is to represent the best interests of the children. I will continue to serve you all with an open mind while taking into consideration the benefit, cost and merit of programs and initiatives to the students of the *KRSD*.

The renovation and expansion of the High School is almost complete. There are some details that need to be finished up; but, for the most part, all is complete in the building and we have a wonderful learning environment for our students to grow in. I would encourage all of my fellow residents of Springfield to take a trip to Sutton and tour the new facilities and show our children that we are interested in and proud of what we have accomplished *through our united efforts*. Educating our children is a group effort that requires the support of us all, not just teachers and parents, *the whole community*.

The last part of the construction at the High School, the athletic fields, will be complete this spring. Athletic programs are a tool that can help to "round out" the educational experience and help to develop the whole student. This year, the football program at the High School was very successful. Kearsarge enjoyed a perfect record and represented our district well. This program, which is funded by private donations, has given dozens of students the opportunity to participate in intramural activities that they would otherwise not participate in. Good grades, improved discipline and motivation are all positive results of this and other extracurricular programs.

The new *Co-op Program*, has been very successful in its first year. It has provided opportunities for students to explore other directions in life, i.e., health occupational arts, culinary arts and graphic arts areas. *School to Work* and job shadowing programs have created a greater school and business community "bond" that will further strengthen and shape our "sense of community." Please continue to support and encourage our young people to participate in these programs.

This year, we are beginning a new process for determining how we act on the school budget for the next school year. The first part of the process, the *deliberative session*, was held on January 24 (rescheduled due to the ice storm), with a poor showing of less than 2% of the electorate. At this session, several budgets and warrant articles were discussed with the hope that voters would become more informed. The second part of the process is voting on these questions at the polls on March 10 using the official *KRSD* Ballot. The warrants and budget information is available at the town offices and at the SAU office in New London. If you have any questions, please call myself or Dick Petrin for clarifi-

cation. *I ask you all to support the budget of the School Board to keep the good work of the district on the right track. We have pared down our budget and feel that we have been responsible to the students and taxpayers. Please support the Board's budget.*

Remember . . . Access to a good education is the single most important gift that we can give to our children. We have done a great job thus far. We must keep up the good work and, as a goal, continue to strive to be "second to none" and always remember . . .

. . . "Children are first."

Respectfully submitted,
John Rego Perrotta
Kearsarge Regional School Board

Springfield Recreation at the New London Hospital Day Parade

SPRINGFIELD HISTORICAL SOCIETY PRESIDENT'S ANNUAL REPORT - 1997

The Springfield Historical Society's quarterly programs have been well received during 1997. Keeping the fickle weather of January in mind, we had an "in-town" program presentation by Muriel Tinkham based on her experiences with genealogy. The guest speaker, Donald Hall, was so popular at our spring meeting that it was held in the town meeting house. It was well attended by people from surrounding towns. Polly Kidder gave a talk with slides about Twin Lake Villa at our summer meeting. Willeum Lang gave us an evening to laugh at our Yankee selves at our fall meeting.

This was one of our busiest summers at the museum. Muriel Tinkham reports that there were over 110 visitors, many who found information about their ancestors while there. We have received many pictures, maps, genealogies, a clock and much more.

Donna Denniston has been publishing a very popular newsletter for the members of the historical society.

Everyone who went to our annual fund-raising dinner, prepared by John Rego and the Protectworth Catering Co., enjoyed it and a profit was realized.

There are several projects underway. Bob Nulsen is chairing a committee that is creating a new pictorial history of Springfield. The cemetery committee has been surveying the cemeteries, taking pictures of and recording information about each stone. There are also several family genealogies of the original settlers being prepared. We are a healthy, busy society that represents you.

Everyone is welcome at the quarterly meetings and during the summer at the museum. There is so much to see, one needs to visit more than once. Remember, you don't have to be a descendant of a founding family to be a part of Springfield history. If you have only lived here a short time, or part time, you are making memories.

Respectfully submitted,
Patricia Heath Caswell
President

1997 ANNUAL REPORT of the Sullivan County Economic Development Council (SCEDC)

The following is a report on the activities of the Sullivan County Economic Development Council for the year 1997.

Highlights:

- A. Access and financing of a new 9,000 sq. foot manufacturing facility in Charlestown for Optical Solutions, Inc. This is a hi-tech firm specializing in the production of high-end optics. The project creates 15 new positions for Sullivan County.
- B. The creation of project "Clearinghouse" represents the County's attempt at accessing more and better qualified employees to meet the growing demands of the local businesses. This process gives local industry access to the Department of Defense's Webb site seeking "discharged" personnel from the armed forces.
- C. SCEDC has been successful in joining seven area banks together to agree to finance 'high risk' projects within the County. This pool of money is currently funded at \$650,000.
- D. SCEDC's Business Assistant Coordinator has finished surveys with about 70% of the County's businesses. The results to date reveal the creation of 430 new positions and the addition of another 101,000 sq. feet of taxable facilities.
- E. We have filed a Community Development Block grant for the Claremont Foundry, Inc. in the amount of \$450,000 to add electric generating equipment and add another 47 jobs at the Foundry.
- F. Secured the pertinent information and assisted in the Community Development Block Grant process with the Town of Charlestown to access a grant in the amount of \$500,000 to fund the construction of a new access road into CEDA Park. This is backed by the support of both Precision Assembly Corporation and Design Standards Incorporated who pledged future job creation and plant expansions to meet the leverage needs of the grant process.
- G. Our referrals and coordination with the Small Business Development Officer which SCEDC funds here in our office has worked with more than 40 new and developing businesses within the County. Many of them will eventually come in for financial assistance or advise from SCEDC.
- H. SCEDC continues to work with the Trout Lily Co-op project in Newport. We believe that this project has great merit and tremendous potential for the intended service area. It is also our intent to apply for another Community Development Block Grant to aid this group in its start-up financing needs during 1998.

- I. During 1997, SCEDC worked with over 22 new, expanding and interested businesses to make determination on the future directions of their companies as they affect Sullivan County. Some of those will expand here or locate here and some will never finalize.

Our efforts in accessing good paying jobs and the creation of additional tax base seems to be paying off. Best wishes for a Prosperous New Year.

Stephen A. Marro, CMC,EDFP
Executive Director

Passing the Historical Society Building enroute to the cemetery,
Memorial Day, 1997

Upper Valley Lake Sunapee Regional Planning Commission Annual Report 1997

The Upper Valley Lake Sunapee Regional Planning Commission (UVLSR-PC) is a voluntary association of 31 towns. The Commission is concerned with the development of comprehensive plans for beneficial and balanced economic, environmental and social growth in the Region. It functions as a research, resource and informational agency and, when appropriate, acts to obtain Federal, State and other approvals, grants-in-aid, loans and similar assistance for individual member towns and for the Region. The Commission provides technical assistance to member communities in the areas of planning (land use, transportation, water quality, etc.), mapping, community development, grantsmanship and grant administration. In addition, regional studies, such as our Regional Transportation Plan, and regional projects, such as household hazardous waste collections and the Connecticut River Scenic Byway Study, are undertaken to the benefit of more than one community.

Thanks are due to both the Vermont and New Hampshire legislatures for their continued support. In New Hampshire, the Department of Environmental Services and the regional planning commissions are putting together a statewide environmental program which will require that certain specific tasks be completed in every region, but also allows some funds to be used on regional environmental priorities. Details are still being worked out. A work plan will be finalized in early 1998. This is great news! It enables our Commission to continue to our commitment to environmental programs. In addition to providing staff support to the Economic Development Corporation of the Upper Valley, we were able to secure funds to develop a two-page economic summary for each town which will be posted in the Internet. In 1998, each community in the Region will have an Internet presence via our web page with community information, economic data, a map, statistics and an economic vision statement.

In the past year, services such as our Planning Board training series and library, which features maps, planning resources and US Census data, were available to all of our member communities. Springfield residents have taken advantage of some of these services. A complete list of services which benefit our members is attached.

In 1997, our work specifically for the Town of Springfield included:

- Met with the Selectmen and Road Agent to discuss transportation enhancement grants.
- Researched techniques used for watershed studies in other New England states for applicability to Lake Sunapee watershed.
- Provided information about the site plan review process.
- Assisted with determination of applicability of subdivision regulations to a proposed development.
- Obtained and processed data to develop town-wide composite GIS soil type map and plotted a copy for the Town.
- Organized a regional household hazardous waste collection and arranged for participation of Springfield residents.

- Maintained geographic information system data for Springfield.
- Completed traffic counts on Four Corners Road, Grantham Road, Stony Brook Road and at two locations on George Hill Road.

Our Commission looks forward to serving Springfield in the coming year.

UVLSRPC Services Which Benefit All Member Communities

- Assist residents of member communities as, and when, asked.
- Meet with state officials and agency representatives to influence policy and to help keep the Region an active participant in many ongoing programs. This includes activity with transportation, solid waste, economic development, and environmental regulatory agencies in both New Hampshire and Vermont.
- Maintain a library of regional data, maps and planning resources, and answer many requests for information.
- Use the Geographical Information System (GIS) to perform mapping and analyses for member communities.
- Assist the Upper Valley Solid Waste District in dealing with solid waste issues. Provide general staff support for the District.
- Organize and administer regional household hazardous waste collections.
- Provide administrative support for the Upper Valley Household Hazardous Waste Committee.
- Work in cooperation with the Sullivan County Economic Development Commission.
- Serve on the Green Mountain Economic Development Corporation and the Economic Development Corporation of the Upper Valley (EDCUV) boards of directors.
- Provide staff and office space to EDCUV.
- Began a new program which provides economic development assistance to towns and businesses in Grafton County.
- Sponsor local sessions of the NH Municipal Law Lecture Series.
- Provide technical assistance to Advance Transit and Rideshare.
- Use the Regional Transportation Advisory Committee to develop regional policies and recommendations for the Regional Transportation Plan.
- Provide data about our regional build-out analysis which forecasts the population and number of dwellings in the Region when totally built out.
- Revise and update the Regional Plan.
- Comply with applicable Vermont Act 200 requirements at the local, regional and state level, including participation in the Council of Regional Commissions.
- Participate in Vermont Act 250 reviews and review of development of regional impact in New Hampshire.
- Sponsor planning board training sessions in New Hampshire and Vermont.
- Work with Upper Valley Land Trust and the Society for the Protection of NH Forests to protect open space and conserve important parcels of land
- Participate in and work with the Connecticut River Joint Commissions.
- Review land use controls and master plans, and suggest amendments.
- Produce our newsletter to provide information about planning issues and other topics of regional concern.

- Organize a monthly brown bag lunch for selectmen and town managers where regional and local issues are discussed on an informal basis.
- Update the Regional Profile, a compendium of information about the Region. Many businesses use this resource.
- Focus on the regional economy through our Economic Initiative Project.

ZONING BOARD OF ADJUSTMENT – 1997

During 1997 the Zoning Board of Adjustment granted one variance and two equitable waivers. The Equitable Waiver is new to the Board this year. When an honest mistake has been made and discovered too late for adjustment, the person can apply for this and justify the reasoning. The process for public hearing is the same as applying for a variance.

The septage issue was resolved without going to court by the signing of a Consent Decree with Michael Dashner. The Board of Selectmen have worked very hard on this issue and continue to monitor. As the Board who originally denied his application, we continue to be interested.

A big issue this year was the application for the Grand View Campground on Sanborn Hill. Since this is an approved use per our regulations, the ZBA was not involved as the Planning Board met several times to work out all details of Site Plan Review. It was finally turned over to the ZBA when it was realized that a variance(s) would be needed. The Zoning Board denied their variance. At this time the applicants have not chosen to come back for a rehearing and have not agreed to an extension of time with the Planning Board. Therefore, the application was denied by the Planning Board. Whether or not the applicants start over in the spring remains to be seen.

We saw several changes in our membership this year. With Janet Booker deciding to not continue with the Planning Board, we lost her as PB rep but welcomed Bob Nulsen in her place. Alex Scott replaced Bruce Jasper as an alternate to the Board. Pamela Laurie has replaced Trudy Heath as secretary to the Board. Trudy will devote her time to being secretary to the Selectmen and Budget Committee. In these busy times, volunteerism is getting more and more difficult. It is becoming common for people to have to resign positions because of the time element. We urge any of you who have the time and interest to consider running for a position on the many boards in town. It really is a rewarding experience.

The Zoning Board meets on the first Wednesday of each month. We welcome your attendance and participation.

Gary Robinson
Chairman

BIRTHS REGISTERED IN THE TOWN OF SPRINGFIELD, N.H. FOR THE YEAR ENDING DECEMBER 31, 1997

Date	Place of Birth	Name of Child	Father's Name	Mother's Name
02-21-97	Lebanon, NH	Mallory Jeanne Schell	Thomas G. Schell	Stephanie M. Schell
